

Cinematic AI Storytelling | Commercial
AI Ads | Ultra-Realistic Image & Video
Workflows | AI Tools Training

Focused on structured prompt systems,
ultra-realistic image and **video** generation, and client-ready ad
production.

I also **teach** how to create ultra-realistic AI visuals, master leading
platforms, and build efficient workflows across multiple AI tools for
ads, branded content, and films.

PORTFOLIO

GUESSEMI OUSSEMA

ABOUT ME

AI VIDEO CREATOR

I am an AI video creator focused on **commercial** and **cinematic AI** production workflows.

I create structured, scalable multi-tool systems for producing **static ads**, video ads, and **UGC-style** content using advanced **AI tools**. My work has been honored with **official laurels** and recognition from major film **festivals** and AI **film awards**.

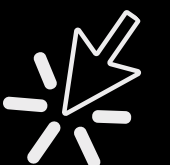

- AI image and video generator training across platforms and workflows

- Festival-recognized cinematic AI projects and award-driven creative direction

- Multi-platform ad execution for scalable campaigns

ULTRA REALISTIC AI CHARACTER SHOWCASE | AD-READY FOR TIKTOK INSTAGRAM & UGC

VIDEO LINK

[Ultra Realistic AI Character Showcase |
Ad-Ready for TikTok, Instagram & UGC](#)

This video is part of my creative AI portfolio and showcases how **ultra realistic AI** visuals can be adapted for **multiple** marketing styles and platforms.

Perfect for:

TikTok ads, Instagram ads, UGC content, product promos, brand campaigns, and short-form creative showcases.

ULTRA-REALISTIC AI CHARACTER SHOWCASE FOR UGC & SOCIAL MEDIA ADS

Ultra-realistic UGC-style character videos tailored for any product, any language, any character, and any environment.

Using VEO 3.1, Google Labs Flow, ElevenLabs, Suno, CapCut, Pinterest, and Higgsfield.

AI BATH BOMB AD FOR KIDS | ULTRA-REALISTIC UGC SHOWCASE YOUR ROLE

Created an **ultra-realistic** AI ad showcase for a kids bath bomb gift product, designed in a **UGC** and commercial style for **social media** and portfolio use. The project combined AI-generated visuals, English voice performance, music, VFX, and editing to produce a polished **short-form ad**. The goal was to create a fun, family-friendly, visually engaging campaign that demonstrates how AI can be used to **build realistic product ads** for TikTok, Instagram, and YouTube.

ULTRA REALISTIC AI COMMERCIAL
FOR KIDS BATH BOMB GIFT | CREATIVE
SHOWCASE
